PROFILE

Graduated in Teknik Informatika from Universitas 17 Agustus 1945. Interested in a career in the field of Business Development. Experienced working in fintech for 1 year. Good at negotiation, conscientious, critical, and ambitious.

WORK EXPERIENCE

2016 - 2017

New kota

Web Designer

FortySeven Media

I am very lucky to be able to work as a UX Designer who is mentored by a Senior UX Designer at Codex and assisted by my "friends" who are outside the team.

2017 - 2019

New kota

Programming System

Brittany Chiang

I'm a software engineer specializing in building exceptional digital experiences.

2019 - 2022

New kota

Web Development

Retoching Company

I'm a front-end developer who loves building user-friendly and web apps, enjoys writing documentation and loves helping people learn how to code.
